

ESP-Top-Loop Detectors - with integrated isolator

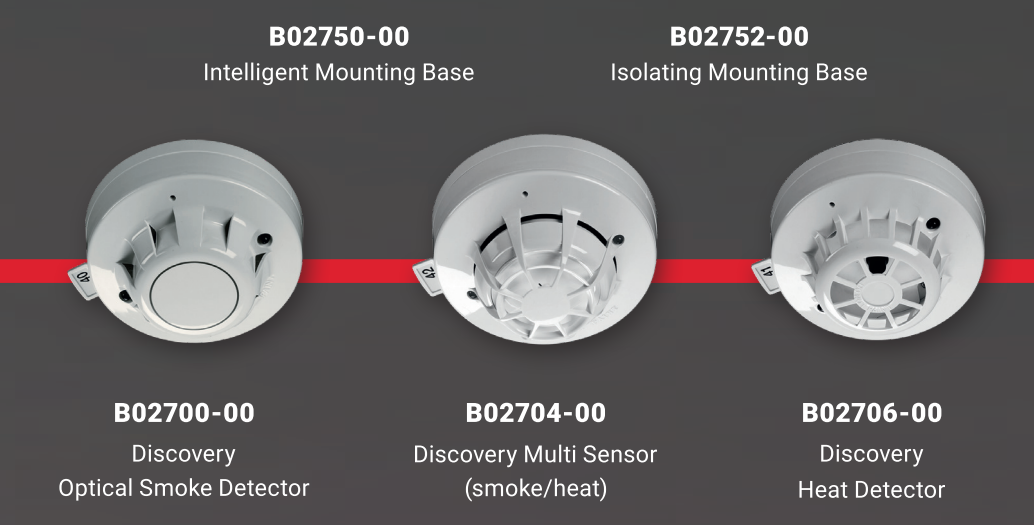

Enhanced Systems Protocol (ESP) Loop Detectors

Soteria Loop Detectors

Discovery Loop Detectors

B02322-00 Manual Call Point - Type A

B05803-00 Hybrid Wireless Translator Module EK-WLB-TRH

B05808-00 Expander EK-WLB-EXP

B05513-00 Smoke Sensor EK-WLB-O

B05813-02 Smoke Sensor EK-WLB-OV includes Beacon and Voice-Alarm

B05817-00 Multi Criteria Sensor EK-WLB-OH

B05823-00 Manual Call Point EK-WLB-CP

B05832-00 Single Channel Input Module EK-WLB-IN

B05835-00 Single Channel Output Module EK-WLB-OUT

B07812-00 Wall Sounder WSR-03

B01620-01 Power Supply Unit (addressable)

B05950-00 Stratos HSSD 2 Aspirating Smoke Detector

B05980-00 STRATOS Micro 100 Aspirating Smoke Detector

VOICE EVACUATION SYSTEMS

According to EN 54-16

S21000-00 MILO-8120 Voice Alarm Controller & Amplifier

S21425-00 MILO 4250E Extension Controller & Amplifier

S20000-00 BOX-500 VES Compact System, Standalone & Alirounder

B05101-00 Hochiki-ESP Interface card

B02460-03 Dual Output Module CHQ-DRC2 (SCI) with two monitored outputs monitored input and incl. dual isolator

B02450-03 Dual Output Module CHQ-DRC2 (SCI) with two 1A relays + monitored input incl. dual isolator

B02444-00 Fourfold Relay Module CHQ-FCM (SCI) 4x relay outputs + 4x monitored inputs

B02430-00 Dual Monitor Module CHQ-HSM for I.S. signaling devices

B02410-01 + B02472-00 "High-Power" I/O-Module CHQ-MR02 (SCI) incl. relay output, monitored input and dual isolator

One redundant RS-485 interface is included in the Solution F1 basic configuration

B01520-00 Remote Control Panel (up to 63 panels connectable)

B08000-00 Fire Brigade Control Panel (FBCP)

B08010-00 Fire Brigade LCD Repeater Panel (FAT)

B08100-00 Fire Brigade Information System (FBS)

B03401-00 Duct Probe Housing

B02400-03 Dual Input Module CHQ-DIM2(SCI)

B02427-00 Dual Zone Monitor CHQ-DZM (for two zones of conventional I.S. detectors)

B02424-00 Dual Zone Monitor CHQ-DZM

B02420-03 Input Module CHQ-SZM2(SCI)

B05540-00 Firebeam Detector FB1, Addressable Beam Detector with reflector and control unit, range 5 - 40m / 100m

B05770-00 Linear Heat Detector (LHD) System Protect EN

B05772-00 Optional addressable with the Hochiki ESP-Protocol

B05340-00 Galvanic Isolator

B0143X-00 Fire Proof Housing 700 AMS XXX (Fire resistance 30 min.)

B01455-01 19" Housing 43U with glass door and swing mounting track

F01020-00 19" Back Board For 19" Housings

B01400-00 A1 Housing 490 x 540 x 138 mm

B01405-00 A2 Housing 490 x 540 x 158 mm

B01410-00 B1 Housing 540 x 540 x 245 mm

B01415-00 B2 Housing 540 x 540 x 245 mm

B01420-00 C1 Housing 760 x 540 x 255 mm

B01425-00 C2 Housing 760 x 540 x 265 mm

B01205-01 4U Front plate for Extinguishing Control Panels

B01266-00 With 2 loops or 4 spurs

B01276-00 With 2 loops or 8 spurs

B01300-00 Conventional Detector Card For 8 spurs of conv. detectors, each with max. 32 detectors. (B01310-00 fully redundant)

B01310-00 Webserver Module Access to FCP via internet (Browse) Indicates all messages/status Complete remote operation of FCP Different access authorizations

B01311-00 Standard Extinguishing Interface Extension (SIE) For extinguishing control board / I/O-extension

F20040-11 CPU-Card, additional plug-in module to achieve a full redundant main board (necessary if more than 512 detectors are connected)

B01350-00 ARCNET-Network Card To connect up to 128 panels (redundancy possible)

B01325-00 Extinguishing Control board P129 one extinguishing area (in acc. with EN12094-1)

B07922-00 / B07974-00 Visual Indicator Base

B02708-00 Discovery CO-Detector

B07976-00 / B07968-00 Discovery Sounder Visual Base

B02710-00 Discovery Multi Sensor (CO/Heat)

B07926-00 EN54-23 Base Beacon + base cover B07990-01

B07964-00 Wall Sounder red

B07964-01 Wall Sounder white

B07928-xx Visual Alarm Device EN54-23 Classification C/W red or white

B06522-00 Wireless Optical Smoke Detector

B06526-00 Wireless Heat Detector

B06524-00 Wireless Multisensor

B06530-00 Wireless Sounder base

B06528-00 Wireless Manual Call Point

B06537-00 Wireless Remote Indicator

B06532-00 Wireless Sounder

B01500-00 no loops incl. ARCNET interface Full operation and indication of FCP

B06458-00 Addressable Linear Type Smoke Detector FRIRERY 5000

B07200-00 Beacon „Solex“

B06406-00 I.S. Mounting Base

B02762-00 Discovery Base for Isolator

B06412-00 I.S. Protocol Translator 1-channel

B06410-00 I.S. Galvanic Barrier

B02760-00 Isolator

B06400-00 I.S. Ionisation Smoke Detector

B06402-00 I.S. Ionisation Heat Detector

B02856-00 Din-Rail Dual Isolator

B06414-00 I.S. Protocol Translator 2-channel

B06409-00 I.S. Manual Call Point

B06405-00 Addressable I.S. Detector (DP95 / Discovery Protocol)

B07020-00 High Output Sounder Symphon 120dB, red

B07020-02 High Output Sounder Symphon 120dB, white

B07005-00 Multiple Tone Sounder RolP 111dB, red

B07005-01 Multiple Tone Sounder RolP 111dB, white

B02846-00 Sounder Control Unit

B01620-00 (6,7 A) Power Supply Unit

B01625-00 (2,5A) / B01627-00 (5,5A) Power Supply Unit 24V

B02864-00 DIN-Rail Module 250V In-/Output Interface

B02940-00 2-Channel In-/Output Module with isolator and 2 relays

B02942-00 In-/Output Module with isolator and 1 relay

B02944-00 250V In-/Output Module with isolator 2 inputs and 1 relay

B02947-00 In-/Output Module monitoring switches

B02852-00 Zone monitor unit with isolator

B02967-00 DIN-Rail switch monitor unit with isolator and 1 monitored input

B02874-00 Mini Switch Monitor Module with isolator

All modules are also available as a DIN rail variant
